

JEET KUMAR SINGH

Data Analyst | Python | SQL | Power BI | Pandas | Statistical Analysis
+91 9279975875 | jeetkumarsingh07india@gmail.com | LinkedIn | Github

PROFESSIONAL SUMMARY

Detail-oriented Data Analyst with hands-on experience in Python, SQL, Pandas, NumPy, and data visualization tools including Power BI and Tableau. Skilled at designing ETL pipelines, cleaning and wrangling large datasets, building interactive dashboards, and applying statistical methods to surface actionable insights. Proven ability to translate complex data findings into clear, stakeholder-ready reports.

TECHNICAL SKILLS

Core Analysis: Python (Pandas, NumPy), SQL, Excel, Statistical Analysis, Hypothesis Testing, Regression

Visualization: Power BI, Tableau (Familiarity), Matplotlib, Seaborn, Interactive Dashboards, Reports

Data Engineering: ETL Pipelines, Data Cleaning, Data Wrangling, Data Modeling, Query Optimization

Databases: PostgreSQL, MySQL, MongoDB, Firebase

Dev & Tools: Python (FastAPI, Django), Git, GitHub, Docker, Jira, Agile / Scrum

Soft Skills: Analytical Thinking, Problem-Solving, Cross-Functional Collaboration, Communication

EXPERIENCE

Data Analyst Intern | AppZime Technologies Pvt. Ltd. | Internship

Jun 2026 – Aug 2026

- Selected as a Data Analyst Intern at AppZime Technologies as part of a structured training and development program focused on real-world analytics workflows.
- Collaborated with cross-functional teams to clean datasets and build reporting solutions aligned with business objectives using SQL, Python, and BI tools.
- Adhered to company policies, delivery timelines, and code-quality standards while contributing to team deliverables.

Data Analyst | Uber Data Analysis Dashboard | Academic Project

- Developed an interactive Uber Dashboard using Power BI to analyze booking trends and ride performance data, with KPI cards for bookings, revenue, and distance using DAX measures.
- Performed extensive data cleaning and transformation using Power Query on Excel/CSV datasets.
- Designed interactive charts, filters, navigation pages, and visualized monthly booking and trip analysis including lost bookings and average trip distance.

Full-Stack Engineer | ZeroCloud AI | Personal Project

github.com/JeetKumarSingh07/Zerocloud-AI-main

- Engineered an analytics dashboard with productivity scoring, streak tracking, and achievement milestones, surfacing 5+ measurable daily indicators and increasing self-reported task completion by 35%.
- Developed an automated document analyzer with ETL-style glossary extraction, MCQ generation, and study-progress reporting, cutting manual review time by an estimated 60% per session.

Software Engineer | Axyntrel | Personal Project

github.com/JeetKumarSingh07/axyntrel-1-main

- Developed a secure messaging and video-calling platform using React, Node.js, Express, and MongoDB with REST APIs and multi-language support.
- Automated financial data and bank transaction management using Plaid API; implemented Docker and CI/CD pipelines for efficient deployment and scalability.

EDUCATION

B.Tech, Computer Science

2024 – 2028

CGC University — Chandigarh Engineering College | CGPA: 7.54 / 10.0

- Relevant Coursework: Data Structures & Algorithms, DBMS, Software Engineering, OOP

CERTIFICATIONS & ACHIEVEMENTS

- Amazon ML Summer School 2026:** Shortlisted for the Selection Test of Amazon's prestigious ML Summer School program.
- Bharatiya Antariksh Hackathon 2025:** Certificate of Acknowledgment, ISRO; applied data analysis under competitive conditions.
- Empowering the Cloud Era:** Certification in cloud computing and DevOps practices, GDG Chandigarh & Appwrk IT Solutions (2024).
- Microsoft Office Specialist Event:** Top 200 Participant nationally.
